Wizards Advance

SINGLE-PLAYER 3D ACTION RPG

Mac · Windows · Linux

▶ Watch the trailer

Spells that ricochet. Shots that hunt.

Spells bounce off walls and home in on enemies, so players pull off trick shots around corners. Designed, coded and scored by one developer, a former major-label artist with 24 records.

IN THE THANKSGIVING RELEASE

- Massive crafting system
- Multiple playable characters
- Massive indoor and outdoor areas
- Huge town with many shops
- Thousands of collectible items
- Summon, charm and transform creatures
- Unique player lighting system
- NPC collabs and quests

AVAILABILITY

Early access ready at wizardsadvance.com, $20 direct purchase.

Thanksgiving release: Nov 26. Act Two: Dec 25. Steam: awaiting approval.

ALREADY BUILT

Affiliates earn 30% of every sale. A creator kit is ready for streamers.

The game is also the proof point for an MMORPG in the same world.

LOOKING FOR

A publisher or promoter to put Wizards Advance in front of PC players: marketing, storefront placement and streamer outreach, for the Thanksgiving release, Act Two and the MMORPG to follow.
